Mr. Therrien PHYSICS

OBSERVE, ORGANIZE, CONCLUDE!

Practice:

Without talking or writing please arrange yourselves in the room in REVERSE alphabetical order by last name..... As fast and as accurate as possible. Work together!

Wall front	board	front door
Z----->A		z----->A
Z----->A		z----->A
Z----->A		z----->A
Z----->A		z----->A
Z----->A		z----->A
back	wall	back

LET ME KNOW WHEN YOU ARE DONE!

Observe, Organize, Conclude is the scientific process..

It is what is used in math and science....

Homework: 1) Finish Grouping homework/Index Card

2) Read through course guide at home, go through it with parents, underline/highlight what you think are the important parts, make notes in the sides to ask any questions on
